

SKILLS REPORT

EMBARK SKILLS ASSESSMENT TEST - 2021

Vishal Dhatrika

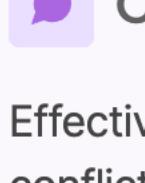

Core Skills for Internships

Companies are looking for 6 core skills to hire interns. This is what you were evaluated on during ESAT.

CRITICAL THINKING

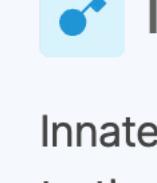

Critical thinking is the ability to think in an organized and rational manner in order to understand connections between ideas and/or facts.

The important thing is to never stop questioning -Albert Einstein

STRUCTURED PROBLEM SOLVING

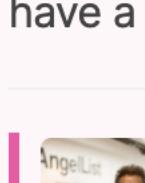

Problem-solving skills help you determine why an issue is happening and how to resolve that issue quickly and effectively.

If you define the problem correctly, you almost have the solution -Steve Jobs

COMMUNICATION

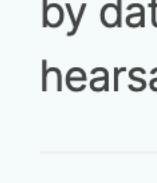

Effective communication skills in the workplace reduce office conflicts, brings clarity, lower the risk of projects going sideways, and make work more enjoyable.

You can have brilliant ideas, but if you can't get them across, your ideas won't get you anywhere -Bill gates

INNATE REASONING

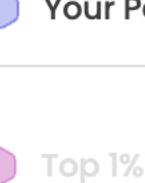

Innate reasoning helps you make important decisions, discern the truth, solve problems, come up with new ideas and set achievable goals.

With first principles, you boil things down to fundamentals and then reason up from there -Elon Musk

GROWTH MINDSET

A growth mindset pushes you to be execution focused, move fast, have a high follow through & be constantly looking to learn.

The means of learning are abundant, but the desire to learn are scarce -Naval Ravikant

DATA DRIVENNESS

Data-drivenness implies that you can make decisions that are driven by data rather than solely on assumptions, past experiences, or hearsay.

Data beats emotions -Bill gates

Your Skills - Strengths and Blindspots

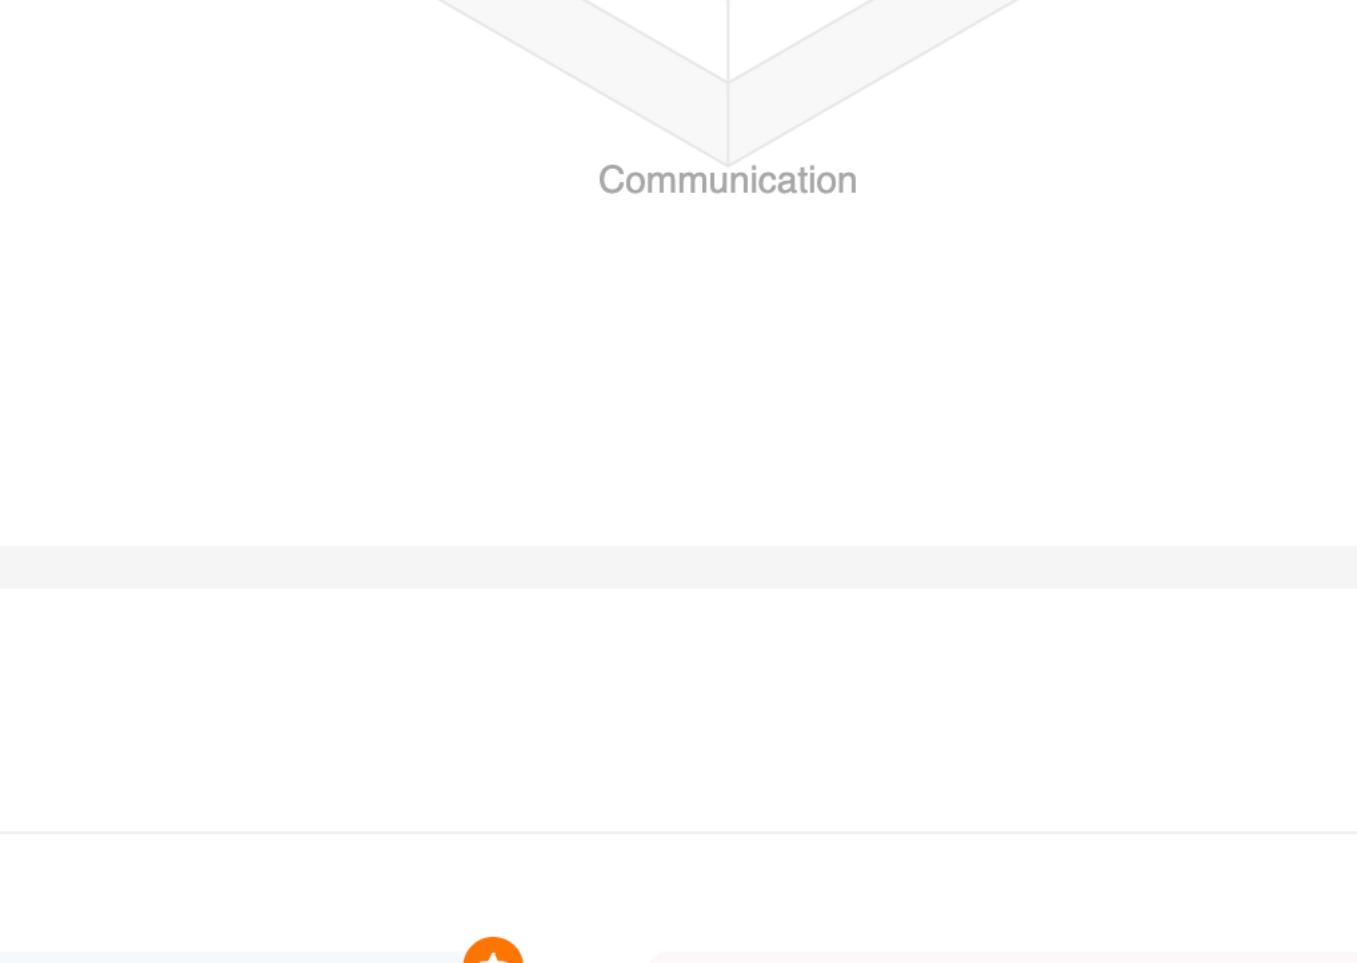

This chart breaks down your competency for each of the six individual skills required to excel in your internship

Your Performance

Top 1%

Top 5%

Average

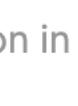

Your Superpowers 🌟

Skills that make you stand out from the crowd.

INNATE REASONING

You are good at

- Drawing logically coherent conclusions
- Rationally reasoning with logic
- Cognitive functions such as learning capacity and deep thinking

GROWTH MINDSET

You are good at

- Taking ownership & delivering results
- Planning & organising yourself
- Identifying areas of personal growth & improvement

Your skill level for each career track

The cut-off for skills in each track is different and hence you might see variation in you meeting or not meeting the same skill for different tracks.
